# Scholarships at DUBAL

Dubai Aluminium Company Limited (DUBAL) provides scholarships to eligible UAE Nationals, enabling them to pursue higher education at university level. After completing their studies, students are committed to remain with DUBAL for a period of time equivalent to the period of the scholarship received.

## Disciplines

Preference is given to disciplines that are relevant to DUBAL's current and future needs, namely:

- Mechanical Engineering
- Electrical Engineering
- Chemical Engineering

Other majors, as per approval of the Scholarship Panel:

- Civil Engineering
- Electronics Engineering
- Information Technology
- Marketing
- Finance or Accounting

## Eligibility

### UAE Nationals

Applications will be considered only from individuals who meet the following criteria:

- UAE National citizenship (holding a valid UAE passport and Khulasat Al Qaid)
- An aggregate score of at least 85% in high school academic evaluations
- Possession of an Acceptance Letter from an accredited university for a course of study in one of the above disciplines
- Personal commitment to self-development
- Preparedness to work for DUBAL for a period of time equal to or greater than the period of the scholarship

- Willingness to work for DUBAL during the summer vacation period for the duration of the scholarship, so as to obtain practical training and work experience (up to five weeks per academic year)

### Non-National Arabs

Applications will be considered only from Non-National Arabs who have already completed one year at university and have an overall Grade Point Average (GPA) of at least 3.5.

### Scholarship benefits

Successful DUBAL scholarship applicants receive:

- 50% of tuition fees
- A monthly stipend, paid on a sliding scale as follows:

<b>First year</b>	<b>AED 3,000 per month</b>
<b>Second year</b>	<b>AED 3,500 per month</b>
<b>Third year</b>	<b>AED 4,000 per month</b>
<b>Fourth year</b>	<b>AED 4,500 per month</b>
<b>Fifth year</b>	<b>AED 4,500 per month</b>
- As of September 2008, the stipend paid by DUBAL to each scholarship student has been increased by AED 500.00 per month. This additional remuneration will be retained by DUBAL and paid to the student on successful completion of six months' service at DUBAL after graduation.
- Additional, special rewards are paid to students who achieve high grade point average (GPA) scores. At present, this amounts to:
  - AED 3,000 for any DUBAL-sponsored student who achieves a semester GPA of 3.50 to 4.00 (paid at the end of the relevant semester)
  - AED 2,000 for any DUBAL-sponsored student who achieves a semester GPA of 3.00 to 3.50 (paid at the end of the relevant semester).

Note: These awards do not apply to the Foundation Year or to Summer Courses.

## Applications

Interested individuals are required to visit DUBAL's Training Centre to complete an application form. The following supporting documentation must be presented at the same time (originals plus copy of each):

- Valid UAE Passport
- Khulasat Al Qaid
- High School Certificate, or latest Transcript (if already studying at university)
- Acceptance Letter from the applicant's university of choice, plus
- Two Passport Photos
